## **President David's Message**

### *Member Lions, Greetings*

*This is my final Presidential Report, I am certain Alan is very much relieved, now he will have to chase Judith and not me, she is much more on the ball than myself. We were unfortunate to lose 2 members of our club Derek and Rajiv and hope that they may at sometime in the future re-join the Lions family.*

*It was my great pleasure to recognise Denis for all his contribution to the club over so many years.*

*I have really enjoyed my year as President, something that surprises me as I had serious misgivings about my approach, uncertain as how it would be received, the jury is out.*

*We were not able to complete all the projects that I had set out at the beginning of the year, as Covid reared its head, hopefully with the immunisation programme we will not experience the same disruption to Judith's programme this year coming.*

*Judith ran the clubs Sausage sizzle programme with a lot of help from Dave, Tony, Brian and Grant. We also very much appreciated the EFTPOS machine which Jas and Tina made*

available to us, which was invaluable.

Tony again ran the Chip cooking with the schools, often having to re-arrange dates as Covid played havoc with the school's programmes. Agnes again took on the Christmas cakes with a lot of help from Jan and between them in view of Covid I think did an outstanding job.

Jan created our new project of Calendars which I think all members would consider an outstanding success, something for us to grow for the future, with the proposed photographic competition for schools that is now being planned, so please get in behind and really push this project along, it is good for our image and we can make a lot of money for us to distribute.

I would also like thank Rosemary and Rex, Shona and Tony and last but certainly not least Karen and Alan for opening their homes to us, from comments from members I know that this has been very much appreciated.

If I have failed to mention any individual member I apologise but space is limited but the club cannot function without you, every member is important and they contribute what they are able.

There is of course one particular member that has guided me throughout the entire year striving manfully to keep me on track, I am assured (by him) that this has not been easy, I find this hard to believe, but Alan assures me this is the case. Thank you for stepping into the Secretaries role and then taking on the Tatler editors' role and keeping me up to the mark with my responsibilities.

I urge all members now to get in behind Judith and her board to ensure that the forthcoming Lions year, hopefully less affected by Covid, is the outstanding success we all wish it to be.

Sincerely,

David

## Notes & Pictures from our June Dinner Meeting

Our June Dinner meeting was a “Double Header” with Jayden Unasa speaking to us on his experience at Outward Bound and Sharon and Peter Crean from ‘BeyondWater’ talking to us of their experiences in Kenya and particularly about Water poverty and how we as a Western Country take it for granted.

Jaden spoke to and delivered an excellent PowerPoint Presentation with an embedded video. It was clear from his presentation that he had taken a great deal from his experience particularly the need to work in teams to achieve a goal and his 24hr SOLO experience, had affected him strongly and made him think deeply about himself and his place in this world of ours. Our Outward Bound Project has developed tremendously in the last couple of years and we

Jayden and his whanau, Melissa, Graham, Janae, Perry and Laura.

couldn't have done it without the help of the NZ Police Youth unit and particularly the Help of Constable Gareth Waters.

Vice President Neil presenting a Certificate of Appreciation to Jaden

Lion Alan, Jaden and Constable Gareth Waters

## Notes & Pictures from our June Dinner Meeting

Our second speakers for the night were Sharon and Peter Crean. Sharon and Peter are Co-Founders of BeyondWater, a charitable trust which alleviates poverty across East Africa through the provision of safe drinking water and sanitation facilities. These include school toilets, water tanks and guttering, deep bore wells, health education days and distribution of sanitary products. School toilets have

Peter, President David and Karen

been built but these are limited if you cannot wash your hands and you cannot wash your hands if you do not have clean water. Sharon spoke passionately about the "Girl Project". This project was developed to keep girls in school and to provide them with such simple items as soap, underwear and even toothpaste.

Costs for building a Well:-

Water Tank	\$2000.00
Guttering	\$5000.00
Deep Bore Well	\$20000.00
