President Judith's Message

Hi Folks,

I Hope you are all safe and well and counting down the days for a get out of level 3 card, to move into level 2 with just a little more freedom to be allowed to connect with Family, Friends, Neighbours, Work and School etc.

I may have mentioned to a few of you that Neil and I took part in a recent Lions Leaders Training Zoom Meet 'Build A Vision'. Keeping us up to date with how we can be positively creative in growing club service ideas and keeping on course with various projects already on the go during these unprecedented times. There was also the reminder to grow club membership.

I was very proud to promote our Photo/Calendar Competition, which has been very progressive during level 4 lock down, involving 5 Schools at senior level, who have all been able to use the NCEA platform. 12 artwork pieces have been chosen for our 2022 Calendar. A well planned demographic project/service that gives us the opportunity to grow sponsor partnerships and promote New Leos Membership. This project initiative was introduced by Jan Tait in her first year with Lions.

Thank you Rex for a small piece of home grown Jazz from Howick College Music Students - some very talented Leo's. (Alan may have already sent to all)

Senior Leaders of Lions USA have asked all Clubs NZ to partner with other, like minded charitable clubs for October 2021 service. I am glad to note that we have a confirmed SS date: 28/11/2021 with Rotary - Te Puru Park, covid ?

President Judith's Message

I am looking for help with our next Botany SS date: 23rd October 2021

I am collecting some Lions items - John Bate (Lions Club of Auckland) Ph5705468/emailjohn.jean@xtra.co.nz 3 Marine Lane Mt Wellington

Should be interesting.

Zoom Training Workshop offered to all clubs.

We need to inform 202k.glt@lionsclubs.org.nz (This is for all members interested).

Please let Alan Sheath know and Alan can send our list of interested members.

27th/28th November Papatoetoe Convention

VALE
Past Council Chairman
Ian Packwood

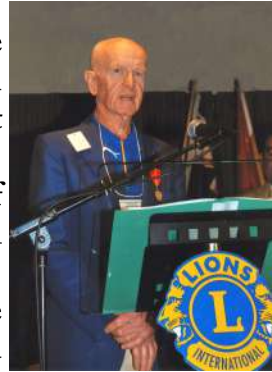

In Memorium — Ian Packwood.

We reflect with great sadness on the passing of Past Council Chairman Ian Packwood—Packy to all of his friends at the age of 90.

Ian was a pillar of the Lions Club of Howick and Lions Clubs International for 56 years.

For good reason Packy was known as the “Lions—Lion”. He lived and breathed Lions not only at Lions Events but in everyday life. He was a true humanitarian, serving others before self.

Ian Joined Lions in 1966 with Wellington Host and transferred to Howick in 1968. It was not long before he took up the reigns of office.

President:- 1972-73

Secretary 1978-79

Tatler Editor:-1995-2011

Winning Best District Bulletin Award in 1996; 2001 & 2003

Ian receiving his Melvin Jones Fellowship—1988

VALE
Past Council Chairman
Ian Packwood

Ian served his District and Multiple District with distinction.

Zone Chairman	1973-74
Deputy District Governor	1974-75
District Governor	1976-77
Multiple District Council Chairman	1977-78
District Lions Quest Skills Chairman	1986-87
Multiple District Health Chairman	1986-87
District Membership Chairman	1987-89
Multiple District Service Activities Chair	1989-95
Fiji Eye Care Project—SightFirst Chairman	1998-2008
District Historian	1998-2008

Ian did not dwell on the many awards he received for his service to Lions, however these were richly deserved and here are some worth mentioning.

International Presidents Awards	1980;1990;1994
Melvin Jones Fellowship	1988
Life Membership Lions Club of Howick	1992
Life Membership Lloyd Morgan Lions Club Charitable Trust	2021

VALE
Past Council Chairman
Ian Packwood

The details of Ian's service to The Lions Club of Howick, to District and Multiple District do not capture Ian the man. I first met Ian in late 1986 on my first visit to the Club as a prospective member. From that moment on Karen and I became close friends with Ian and Nancy.

Ian was one of nature's true Gentlemen, I cannot think of a single occasion when he lost his temper or raised his voice in anger. He never spoke ill of anyone.

As Lions, we hold ourselves to the absolute highest standards in everything we do. We champion kindness in our communities and actively work to improve the lives of all people. Packy embodied these Lions Ethics in everything he did and with all those he encountered.

Ian was generous to a fault, he would give of his time generously to all who asked. He was tireless in assisting his community through his beloved Lions Club and amazed us all that at 90 years of age he was still one of the first to raise his hand and volunteer his services.

Over the last few years Ian has been a fantastic advocate for our youth and has worked tirelessly on Youth Projects such as Outward Bound; Young Speechmakers; Peace Poster and particularly liaising with Howick and Botany Colleges with regard to the Derek Wigzell Award.

Ian Packwood 1930—2021

This is the lifespan of our dear Packy, but a wise man once said it is not the dates that matter it is what one does with the "Dash" in between. Ian did so much with that "Dash".

R.I.P Ian, you will be sorely missed.

Our Leos in Lockdown

Our Leo Liaison Rex received this small clip of Homemade Jazz put together by our Leo Club.

Thank you for the lovely email, so wonderful to see the things that you are up to :)

Apologies for the slow reply, my inbox has been bombarded with emails from the school and teachers.

Lockdown has certainly gone for longer than I expected, definitely excited to see people soon as my life is quite different without them, and I'm sure you can say the same. Other than doing school work, I've been practicing a lot of mindfulness and have been playing the piano more!

We haven't been in touch with the LEOs specifically, however the majority of the school community has been connected through our Instagram page (howickcollegeleaders) where there are plenty of fun activities such as leaders takeover, workout challenges, and the tik tok competition (which my team won)!

Attached below is a short jazz music video my music friends and I put together, hope you enjoy Rex :)

Take care, keep in touch!

Cheers
Siyang

The Global Lions Forum

Received this interesting article and Link from Lion Paul.

The Global Lions Forum

The Global Lions Forum is an independent Facebook Group of almost 10,000 Lions members from all over the world. We discuss ways to strengthen Lions Clubs, improve club, zone, district and MD management, increase membership, and improve our communications using modern online tools and skills. We believe that by doing so, we will enrich our Lions experience, save time and money, accomplish more service, enjoy more diverse opinions, and have more fun! Members of the Forum span of all levels, from rank and file Lions Clubs members to LCI International Directors, both past and present.

The Forum was first established in 2017 as the Cyber Lions Facebook Group. The three founding members were Richard Stevenson (Tucson Cyber Lions Club, Pima County, Arizona), PDG Charles Short (Lafayette Lions Club, Indiana) and Paul Curtis (Howick Lions Club, New Zealand). The group quickly grew as Lions members found the Facebook group and then spread the word that there was a Forum, independent from Lions Clubs International, where they could have honest discussion of our challenges and opportunities within Lions, and where members are encouraged to bring their successes, insights, mistakes, outright failures, and experiences.

As the group grew, so did the need to bring in more help to manage volume of posts being submitted, and to maintain the group as a safe place for honest debate. On average the group has about 50 new posts and 1000 comments every week, with 14 moderators in the USA, UK, Greece, Macedonia, Sydney and New Zealand, and so it's truly become a group that never sleeps!

The Global Lions Forum

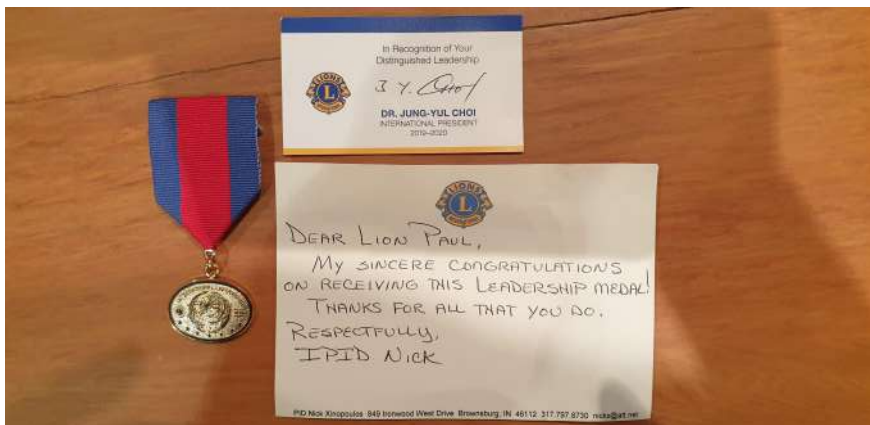

In June 2020, in recognition of their work to promote Lionism through the Global Lion Forum, the two founding members, Richard and Charles, were awarded the Lions Clubs International Presidential Leadership Medal, along with fellow admins:

- **Paul Curtis (Howick Lions Club, New Zealand)**
- Winster Ceballos (Passaic-Clifton Lions Club, USA)
- Daniel Marney Elkins (Bellefonte Lions Club, USA)
- Jodi Burmester (Madison Central Lions Club, USA)

The International Presidential Leadership Medal is the third highest award in LCI, for distinguished leadership.

In September 2021, the Global Lions Forum welcomed it's 10,000th member! To join the Forum, simply go to <https://www.facebook.com/groups/lciCyberClubs>.

Congratulations to Lion Paul on this fantastic recognition.

Lions Meetings in COVID levels

Lions Clubs International

21 September 2021

Coronavirus (COVID19) Update:

Clubs transitioning to Alert Level 2:

This week the Government announced an adjustment to the restrictions under Alert Level 2, effective 11.59pm Tuesday 21 September.

In view of the above, please find the following:

Business and Dinner meetings:

The number of people in a gathering has increased to **100**. This means that Clubs can now come out of 'hibernation' and start having Business meetings – face to face at their appropriate venues.

Please scan in using QR code at the venue or keep a record of members who have attended.

Please remember to keep to the social distancing rule of 2m.

Masks to be worn at Business meetings.

Tables and chairs to be set up appropriately.

Have hand sanitiser available for members to use.

Respect members decision of not attending a meeting, or not to wear a mask for medical reasons.

If a member is not feeling well, or has symptoms of a cold or flu, they should not attend.

Meeting venues need to be wiped down prior to and after the meeting. (Check with the establishment if they charge extra as a decontamination fee).

Meeting venues with access to Bar facilities: if the bar facility is at your Club venue – one member at a time to be served. If the venue is at a public venue, then to have one person serving you at your table. (Please adhere to the venue's health and safety requirements).

All sub-committee meetings to adhere to the above.

In respect to Dinner meetings, members need to be seated, separated and have one

person serving your whole table. (No buffet dinner setting).

Note: All members to follow safe, hygiene requirements.

Lions Meetings in COVID levels

Projects:

Community organisations can operate, and volunteers can resume their duties at Alert Level 2. However, everyone should do everything they can to reduce the risk of transmission. Where it applies, community organisations should follow the guidance that has been provided for businesses and guidance on gatherings.

Volunteer organisations whose services involve close personal contact must keep contact tracing records.

Volunteers should keep records of where they go, when they go there and who they meet.

If you have cold or flu-like symptoms, stay home.

Keep a **2 metre** distance from others where possible.

Wash your hands regularly.

Reduce the number of shared surfaces, and regularly disinfect them.

Minimise risk in all projects and follow appropriate protocols in respect to the COVID19 Health requirements. (i.e. social distancing, regular hand hygiene and cleaning of common Surfaces).

If your project is an event involving a large group of people – the numbers need to be kept within a maximum of **100**.

If your project involves serving the community, need to have hand sanitiser available for public use. Members need to use gloves where appropriate (i.e. taking money, handling food, taking tickets, or direct contact with the public), and have wipes and disinfectant spray available to wipe down surfaces on a regular basis. Remember social distancing needs to apply, **as well as members to wear masks.**

Any project involving the public using pens, pencils, etc. These need to be wiped after every use.

Further information can be obtained on: www.covid19.govt.nz

If you have any questions, please don't hesitate to contact me.
