Where there's a need there's a LION

The first metal Khumjung classroom Sir Ed built in 1960 will now be converted into the Sir Edmund Hillary Visitors Centre where visitors to Khumjung can learn about the history of Sir Ed and The Himalayan Trust, as well as what a huge difference that the little schoolhouse represents. As part of the redevelopment, local artist Serki Sherpa has painted an exquisite ceiling mural.

## President Neil comments...

### Greeting fellow Lions and Leos

April has been a quieter month, with no big projects. However, the main news is President-elect Tina's new elected board.

Congratulations, and thank you to those members who will be our leaders for the 2023-2024 Lions' year.

We have donated \$500 to the Child Mobility Fund and \$1,000 to the Himalayan Trust.

Note: The Sir Edmund Hillary Collegiate Leo's have also donated \$200 to the Himalayan Trust.

The Water Safety Picnic at Cockle Bay, unfortunately, money-wise, currently we have a loss due to the fact that the Auckland City Council have not yet paid our Board approved line item of \$1,400 as of this week. Once this payment is received, there should be a small profit.

The weekend of April 28-30<sup>th</sup>, Tina and Judith are to attend the MD 202 Convention in Invercargill. We wish them a safe trip and return home.

The May Dinner Meeting will be a highlight of this year, as Peter and Sarah Hillary are joining us, together with members of the Pakuranga-Panmure and Bucklands Beach Lions Clubs. It is most appropriate as it is the 70th anniversary of the summiting of Mt. Everest in Nepal, by Sir Ed and Tensing Norgay on May 29<sup>th</sup>, 1953.

As the cooler days have started, keep warm everyone.

"We Serve"

President Neil
